About Payoneer

Payoneer is the financial technology company empowering the world's small businesses to transact, do business and grow globally. Payoneer was founded in 2005 with the belief that talent is equally distributed, but opportunity is not. It is our mission to enable anyone anywhere to participate and succeed in the global digital economy. Since our founding, we have built a global financial platform that has already made it easier for millions of SMBs, particularly in emerging markets, to pay and get paid, manage their funds, and grow their business.
